MEMORANDUM FOR ALL MONTANA WING MEMBERS

FROM: MTWG/CC

SUBJECT: DISCORD POLICY

1. In accordance with an order issued by the Rocky Mountain Region Commander regarding the use of the platform Discord, the Montana Wing Discord policy that was disseminated on 7 December 2024, is hereby rescinded, and replaced with the following:

Effective immediately, all Montana Wing Squadrons, cadets and seniors will cease using Discord for any Civil Air Patrol Related functions or duties to include (but not limited to) scheduling meetings, activities, and other miscellaneous events or functions. Microsoft Teams shall be used in place of Discord as outlined in the RMR/CC's order.

2. I understand this will cause some short-term issues for units that utilize Discord and for that I apologize. I just became aware of this order, and we all have no choice but to comply with it. For those units that use Discord to store files, please work as quickly as possible transition those files over to Microsoft Teams before suspending or deleting those existing accounts. For units that need assistance with setting up or using Teams to store files, please contact our IT team at wingit@montana.cap.gov

3. This policy will remain in place until further notice or until otherwise rescinded. Please direct questions to Col Matthew Bolin at matthew.bolin@mtwg.cap.gov.

Matthew J. Bolin, Colonel, CAP
Commander, Montana Wing
